

**Ease of Assembly — Miterfold**

Insert drawer bottom into precut grooves on two sides. Fold drawer sides around matching drawer bottom. Close remaining drawer side onto dowels and you have a quality drawer from BHK. Miterfold available in vinyl only.

**K-D — DuraWrap & Wood**

The K-D Drawer is ideally suited for all types of RTA furniture. Available in either three or four sided.

The K-D Drawer is also available in many configurations. Comes drilled & doweled, dovetail or rabbet. Can also be machined to accept almost any of the new fasteners.

**Blanks — DuraWrap & Wood**

Many of the largest manufacturers in the woodworking industry utilize the BHK product to save both time and money. A 33%\* savings can be realized by buying BHK Drawers. No need for concern over manufacturing and finishing problems. BHK makes drawer making easy! In many cases, BHK Drawers can be made right on the job site. It's easy! Take a BHK Blank, make four straight cuts, then fasten with staples, screws or drilling and doweled. No more expensive labor costs for cutting the raw material to make drawers, grooving for bottoms, finishing or edgbanding. Just a few simple cuts and you have a quality finished drawer. With BHK, you

make a better quality drawer and save money too! 8' stock is carried in the most popular heights for quick delivery.

**Benefits of BHK Pre-Cut Components**

- ◆ Reduced labor costs
- ◆ Reduced tool & equipment investments
- ◆ Improved production capacity
- ◆ Improved cost control
- ◆ Largest drawer manufacturing capacity
- ◆ Large component manufacturing capabilities
- ◆ Nationwide manufacturing & distribution
- ◆ Programs for all size accounts

**DRAWER & COMPONENT SYSTEMS**

*Quality, Value & Selection*

**BHK OF AMERICA** is the largest U.S. manufacturer of a full line of ready to assemble drawer and component systems. For over 30 years, BHK, with worldwide manufacturing capabilities, has provided high quality drawer and component systems to the international woodworking industry. The latest state of the art equipment and technology are utilized in the manufacture of BHK Drawers and Components. And you can count on our knowledgeable, experienced customer service staff that stands ready to assist you.

### Outsourcing

Outsourcing has become a necessity in today's ever changing world. Competitive market conditions have forced manufacturers to carefully study, examine and consider every aspect of doing business. Outsourcing has redefined manufacturing to the point that most progressive companies utilize the outsourcing components strategy.

Outsourcing allows for new product development and entry in to new markets. Partnering with BHK OF AMERICA provides the means to produce new products for new markets while still maintaining profit margins.
